PROFESSIONAL PROFILE

I have consistently received positive feedback on my work throughout my career.

In 2000, I held the position of HMU Supervisor for the Sydney 2000 Paralympics opening & closing ceremonies.

My role as HMU Head of Department at MTV Australia was a dream job for 15 years. I worked on multiple shows and events including the MTV Awards (AVMAs) which ran for 5 consecutive years.

I have been freelancing now for several years, taking pride in delivering a professional, and exceptional result to every job that I do.

KNOWN FOR

Versatility, creativity and dependability. Able to deliver a broad range of HMU directives to suit production requirements.

SKILLS

- *Ability to produce a superior quality of work across a broad range of areas including fashion, television, photographic, advertising, tv, personal consultation, supervisory roles, basic special effects and much more.*
- *Experienced as head of a makeup department for 15 years. Overseeing, designing and fulfilling the hair and makeup requirements of several live-to-air television shows, commercials, public appearances and photoshoots on a regular basis.*
- *Experienced in leading pro makeup teams such as MAC and Napoleon on large scale productions which involved providing hair/makeup for multiple international and local performers.*
- *8 years of prior experience as a trainer at Sydney College of Make-up Art and certified in Training & Assessment. Cert 1V TAE 40110 current.*

INTERPERSONAL SKILLS

- *Articulate, well informed with exceptional communication skills.*
- *Dedicated to being current and informed by latest innovations, trends and styles within the fashion, beauty and makeup industry.*
- *Calm and focused, working well under pressure and within time constraints.*
- *Trained and experienced in performing and fine arts ensures an acute attention to detail, focus and concentration skills.*
- *Strong abilities to self-direct and initiate as well as working within strict schedules and deadlines.*
- *Hyper compliance to hygiene and cleanliness, both in kit and workplace.*
