OVERVIEW

I have consistently received positive feedback on my work throughout my career.

Particular highlights include my years as a trainer at SCOMA, helping to foster the talents of notable Hair/Makeup Artists such as Dale Dorning and Sheldon Wade.

In 2000, I was lucky enough to score the supervising H&MUA position for the Sydney 2000 Paralympics opening & closing ceremonies. It was such a unique, exciting and uplifting event of great magnitude.

My Hair/Makeup Supervisor role at MTV Australia was one long (15 year) highlight. I worked with wonderful crews and artists on multiple shows and events. The most challenging and exciting was the MTV Awards (AVMAs) which ran for 5 consecutive years.

The awards were staged on a grand scale and required the utmost organisation and management skills in order to run smoothly.

I also enjoy beauty writing and wrote a two page column for Substance and Attitude Fashion Quarterly for over four years.
